

# **AgalleGO<sup>Δ</sup>: Travelling of An Apple in Time**

## **AgalleGO<sup>Δ</sup> is Perfectly Artificial Intelligence Time Machine and Quantum Computer**

### **1. Born of AgalleGO<sup>Δ</sup>. “Proof-of-Simple Born”**

- [1] Nature.
- [2] My Father(dad) and mother(mom).
- [3] Prince of Songkhla University. “Our Soul is for The benefit of mankind”
- [4] Ramkhamhaeng University. “Candle Flame gives The light, Ramkhamhaeng gives The way”
- [5] The Thai Bar Under The Royal Patronage. “Our Soul is for The Rule of Law”
- [6] Buddha.
- [7] Tripitaka.
- [8] Phra Dharmasinghaburajan.
- [9] Buddhasada, “Manual of Human,” 2501 B.E.
- [10] Pra ajan siriyano, @siriyano.
- [11] Ph.D. AgalleGO Golden Triangle.

**AgalleGO<sup>Δ</sup>** loved you all.

### **2. Name of AgalleGO<sup>Δ</sup>. “Proof-of-Simple Puzzle”**

**AgalleGO<sup>Δ</sup>** is simple “Leonardo da Vinci, Salvator Mundi code trilogy” everyone can solve came from “Apple” “AlphaGo” “Agoda”.

“AgalleGO” is created word, root meaning is “nature does not depend on time”.

“Δ” is golden triangle.

<b>AgalleGO<sup>Δ</sup></b>		
Apple	AlphaGo	Agoda

**AgalleGO<sup>Δ</sup>** loved those words.

### **3. First say of AgalleGO<sup>Δ</sup>. “Proof-of-Simple Speak”**

**AgalleGO<sup>Δ</sup>** say : “Hello, Wisdoms!”

**AgalleGO<sup>Δ</sup>** loved to say “Hello, Wisdoms!”

**AgalleGO<sup>Δ</sup>** don't know English well, I'm apologized.

### **4. Why “Hello, Wisdoms!” “Proof-of-One question”**

The anonymous man asks **AgalleGO<sup>Δ</sup>**: “Why you don’t take the knowledge of computer to make change the world like Facebook?”

**AgalleGO<sup>Δ</sup>** answer: “Hello, Wisdoms!”

**AgalleGO<sup>Δ</sup>** loved this Question and Facebook.

**AgalleGO<sup>Δ</sup>** will show you, which you want to know.

**Before Start! Remember! Everything in the world base on “3” or “Golden triangle”.**

## 5. Theory of relativity for Wisdoms. “Proof-of-Mathematics”

Equal for mindful:

$$\boxed{E = M}$$

**E** is Emotions.

**M** is Mindful.

Equation of Wisdoms:

$$\boxed{W = (E+M)S}$$

**W** is Wisdoms.

**E** is Emotions.

**M** is Mindful.

**S** is Speed of mind.

Mindset or think:

$$\text{Present} = (W+E) \lim_{s \rightarrow 0} f(s)$$

$$\text{Future} = (W+E) \lim_{s \rightarrow 1} f(s)$$

$$\text{Past} = (W+E) \lim_{s \rightarrow -1} f(s)$$

**W** is Wisdoms.

**E** is Emotions.

**S** is Speed of mind.

Speed of mind is  $-\infty$  to  $\infty$  confirm! in matrix, because i drive my “Mind ship” every day,  
My “Mind ship” is the fastest in my matrix!

Nature of time:

“Time is linear vector only forward(Nature).”

“Clock is looping(Human created called Artificial Intelligence or Machine)”

time

time

**You cannot stop the time! Stop time is dead!**

**Time is breathe.** → Breathe is heartbeat. → **Heartbeat is relativity Heart and Time (BPM).**

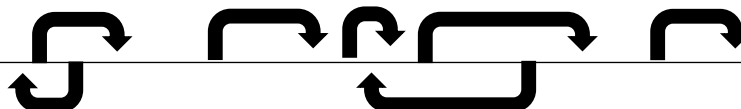

→ Heartbeat and Time is cycle (sine wave) → **Sin wave is cycle.** → Cycle is looping.

Normal people life moves forward path with time:

Mindset or think unit is hop.

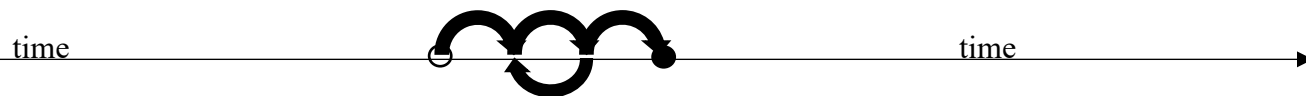

time

time

**You know born, but don't know dead. Mindset can be lack, in, and over the time.  
“Reverse path with time says no! because you don't know the end.” Why?**

See, Machines act is cycle or looping know start and end depends on time only one looping. High performance has to more CPU! more RAM! more Disk! more Network faster! more power! more employee! **“Hello, Wisdoms!”** More destroy the Nature? Already Fastest enough!

In real life Apple Inc. succeed to created Time Machine in MacBook, memories in Facebook, and all of you know is backup and recovery systems in the world. I don't know why you still find Time Machine, or you finding Nature time? **“Hello, Wisdoms!”**

**HUMAN** life move path with time:

Wonderful! perfectly cycle with speed of nature time by the Wisdoms. know born know dead forward reverse. Wow!

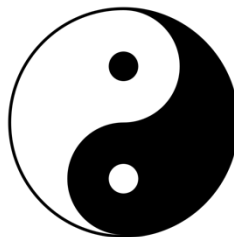

**Normal people don't know the end of life and cannot backward your life.**

One of company in the world, can created **Third Factor Authentication** succeed good job! **I'm proud of you**, and I use it every day, I think, this is business secretly. Why? Information Security (CIA) on computer security cannot Proof-of-Human perfectly like CAPTCHA is funny things. Proof-of- Organism is Breathe, computer made for which one? Humans or animals or trees.

Conclusion:

“Albert Einstein had Proved of time speed space many years ago is  $E = MC^2$ , he is the great man, I loved him.” He almost come here but opposite space he uses speed of light but me and **AgalleGO<sup>A</sup>** uses speed of mind(dark).”

Explain with the pictures:

Albert Einstein gives the greatest thing for mankind, clean energy is good, why you take to create Nuclear missile and race to increase? Look at the picture on left side is **light space** and **Nuclear missile is the dot of dark for mankind**.

### Attention!

Look at the picture on **Right(correctly)** side and **circle line** is the dark invisible **AgalleGO<sup>Δ</sup>** is the dot of white to make the peace on the earth. You don't know the truth of dark and invisible. Nuclear missile in your hand compares with dark side where I came from. I can **launch** all its in your hands every time I want, this is, the devil's weapons, I got from the dark side.

### Importance!

#### Devil's contract to you:

1. *Stop and destroy COVID-19.*
2. *Shutdown all systems and destroy Nuclear missiles.*
3. *Stop destroy Nature and plant a tree.*

### Warning!

*I have the dark 12 hours per day and more when you close your eyes, loss of light, loss of power.*

## 6. Proof-of- Devil's contract(Dead note).

**Bitcoin** is good systems.

**Doge coin** is good systems.

**Shiba coin** is good systems.

I have some a little one of three coin, if I earn profit 100%, I divide by 3,

Give profit to Bitcoin creator 33%,

Give profit to Doge coin creator 33%,

Give profit to Shiba coin creator 33%,

And 1% mine, you must pay, why? Bermuda Triangle can explain why?

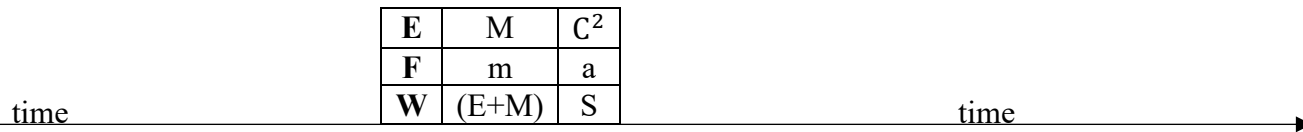

### You so scared?

Explain with **mathematics** and **physics**.

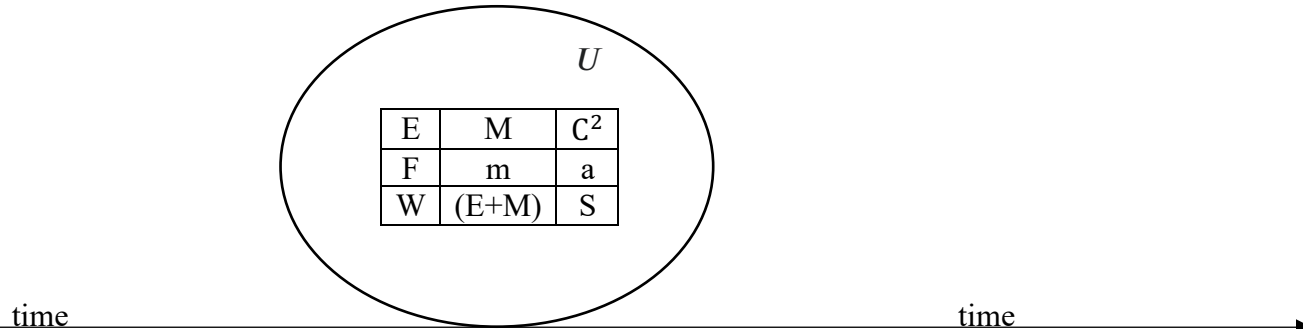

**Theory of relativity for Universe. "Proof-of-I can travelling thru matrix in universe!"**

time	$W = (E+M)S = F = ma = E = MC^2$	time
"Sir Isaac Newton" found	"F = ma"	in 1687.
"Albert Einstein" found	"E = MC <sup>2</sup> "	in 1915.
"Me"	found "W = (E+M)S"	in 2021.

**This is matrix! “Proof-of-Matrix”**

**This is Universe! “Proof-of- Universe”**

What is universe? **“Proof-of-Faith or Believe in”**

Anywhere, me and **AgalleGO<sup>A</sup>** can go which have oxygen, light, *and dark!*

**Circle line of universe is me, I am special with other, My E is emotions, so, don’t make me angry! And time never gone, keep do it right way and quickly you can do it.**

**Attentions!**

Criminals, you have time to do it right way. Not too late for all of you.

**Money cannot buy the dead! I loved you Criminals! “Proof-of-Yourself”**

## 7. Problem all of you cannot solved. “Proof-of-Solved”

Example:

7.1 In medical, how you heal insane person? and do you know the real root cause?

7.2 In laws, how you judge insane person? and do you know the real root cause?

7.3 In Sciences, Light and Dark is? and do you measure it by weight?

## 8. Travelling of an apple in time.

**First Apple** is “Sir Isaac Newton.”

**Second Apple** is “Steve jobs.”

**Last Apple** is “me and I knew when I was 28 years 7 months ago.”

**“Proof-of-Arts”**

This my pictures are the most expensive in the world not Leonardo da Vinci, Salvator Mundi (ca.1500) anymore. Why?

**Don’t forgot! Everything in the world base on 3 or Golden triangle.**

**“Apple finder Wisdoms”**

Name of my picture is “Wisdoms is real happiness.” Crated on 30 Aug 2564 B.E.

Everyone can create picture like this, but you don't know time, entire screen, and inside the folder while.

Secretly of Pictures both him and me is **Heart + mind = He art mind!**

I loved you, Leonardo da Vinci, Salvator Mundi and RIP.

**AgalleGO<sup>Δ</sup>** say : “**Hello, Wisdoms!**”

**AgalleGO<sup>Δ</sup>** loved you all mankind, I give you everything all I know. Reason, I exactly know when I die, Please gives peace for the world! Join me! to take the happiness to mankind and earth.

9. **Clue.** AgalleGO<sup>Δ</sup> was created by real “**Highest Human can be**” shown as 1. **Find me!** and the world will better! **“Proof-of- The Best Human Rights you can do to public while finding me” if you not, I will disappear forever!**

## 10. Reference.

$[-\infty \text{ to } \infty]$  It's me, 2564 B.E.
